**Date of Occurrence: January 12, 2012**

Rt.2 E/B Viaduct:

On Thursday, January 12, 2012, at approximately 11:30 a.m. Elsmere Police responded to the Rt. 2 E/B Viaduct for a report of PI accident involving a vehicle vs. a trash truck. Upon arrival officers found the operator of vehicle #1 unresponsive. Op #1 was transported to the Christiana Medical Center.

The preliminary investigation reveals that OP #1 was travelling on Rt. 2 W/B on the viaduct when she crossed over the raised concrete median into the E/B lanes striking the trash truck.

On Tuesday, January 17, 2012 the Elsmere Police were notified by hospital officials that operator #1 had passed away. At this time it appears that operator #1 had suffered from a pre-existing medical problem.

At this time there are no charges pending.

**Date of Occurrence: January 19, 2012**

On this date, Det. Shelton returned the Condor Evidence equipment to DelState University. Since the equipment was not compatible with our current reporting system (LEISS) it was not advantageous for our department to participate with the pilot program at this time. The following agencies have or in the process of returning their equipment; Newark, Dover, and Smyrna.

**Date of Occurrence: January 24<sup>th</sup> and January 31, 2012**

On these dates both squads qualified with the departments newly purchased Smith & Wesson M&P duty and off-duty handguns.

**Date of Occurrence: January 31, 2012**

This was Teresa Escheu's last day as the part-time records clerk with the Elsmere Bureau of Police. It was a pleasure to have Teresa working for us and wish her all the best in her future endeavors.
